Product Specifications

Engineering and Manufacturing for the Renewable World

Patriot Solar Group (PSG) is a manufacturer and distributor of solar related products. We are committed to providing the highest quality products and service in the industry. Our dedicated sales, engineering, and operations staff keeps the customer and the environment at the forefront of their minds while creating a customized solution to fit your renewable needs. PSG will work hand in hand with you from the conception of the project until completion. If you are in the market for a renewable solution and want more than "just a supplier" look to PSG for your manufacturing and engineering needs.

This portable solar terminal is ideal for use in areas where permanent power system installations are not desired and/or required. The terminals can be used for multiple locations. All you need to do is disassemble the solar panels, hook the terminal up to a truck rated for the trailer weight, and move it wherever you may need power.

Usage:

- ▶ Disaster relief/emergency response
- ▶ Small to medium construction work sites
- ▶ Temporary field power
- ▶ Outdoor events
- ▶ Remote Power Needs
- ▶ Communications power

- ▶ 1 kW portable power units
- ▶ Motorized and fixed units available
- ▶ Silent, eco-friendly, reliable, mobile power
- ▶ Can be easily relocated as required
- ▶ Low Maintenance
- ▶ Rugged, Weather Resistant Designs

Patriot Solar Group is dedicated to providing the highest quality units using only the best materials for solar and lighting products for home and commercial use that support renewable energy. Our products are environmentally safe, efficient, and affordable while offering the peace of mind of high durability able to withstand the ravages of wind, ice, and water. Our manufacturing processes are based on automotive quality standards to ensure high quality and reliability the first time.
